Description

A beautiful original antique French table lamp by Charles Schneider. This was made in France, it dates from around the 1920-1930's. This is beautifully made with a brass stand and stunning original coloured glass shade. It is very impressive and in great condition for its age. The brass has a lovely patina, is damage free and sturdy. The glass shade just has some minor surface wear, and it is signed 'Schneider'. We have had this re-wired, it is in good working order.
