Description

A stunning pair of original Swedish Art Deco period armchairs, dating from around the 1930's period. The quality is amazing and these have a gorgeous design. We normally have these re-upholstered in our cream cotton fabric, and then they are often re-upholstered again for our customers. The fabric on these is beautiful, in fairly good condition, so we have left as is. They could still do with re-upholstery as the padding has worn down in places and the springs beneath the seats could do with firming up, though they are still usable as is. We have had the frames stripped and re-polished to a very high standard, these are ready for re-upholstery or for use as is. Width – 25 inches , 64 cm Depth – 33 inches , 84 cm Height – 28 inches , 72 cm Seat height – 15 inches , 39 cm
