Description

An excellent antique Edwardian period coffee table in solid mahogany. This was made in England, it dates from around 1890-1910. It is of superb quality and is very sturdy, it could also be used as a bench or stool. The solid mahogany frame has a beautiful patina and plenty of character, with gorgeous grain patterns. As well as being very sturdy and strong, it somehow also has a very elegant design. We have had this re-polished to a high standard, the condition is excellent for its age, with some minor wear and plenty of character remaining beneath the polish.
