Description

Antique Goliath pocket watch, c1900s The watch has a Swiss stem-winding movement which is working nicely. The movement is protected by an inner hinged cover which has some marking and scratching. The watch measures 65mm diameter excluding the winding stem and the loop. The case is nickel plated. It has some surface marking but it is mainly to the hinged case back. The glass lens is in good condition. The dial is in lovely condition and it has its original blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
