Description

A rather attractive 19th century antique Welsh oak pot board dresser. The Welsh dresser has a boarded rack back top with three fitted shelves, each with old iron hanging hooks. The pot board dresser base has three fitted drawers, each with polished wooden knobs and an under tier shelf or pot board. The dresser has a wonderful rich colour throughout. Separates into two pieces for ease of transport and movement. Item Ref; M-3390 .

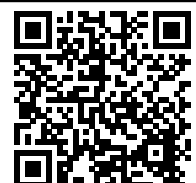

DIMENSIONS: Height - 199cm / Width - 177cm / Depth - 45cm / Surface Height - 77.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age and wear. There is surface wear in places including some age-related marks, scratches, and staining to the surface top (pictured). The dresser remains structurally solid and sound. The shoes (the part the top section slots into) appear to be later replacements. Some evidence of old historic woodworm in places - this is long gone and has been fully treated as a precaution. Overall, a rather good example of an antique Welsh oak pot board dresser.
