Description

This early 20th century shallow bag chandelier is constructed of a brass frame with a ring around it where the swags are suspended. This is held together with a clasp and is finished with a glass star and large drip. If desired, rather than using the clasp to hold the centre up, it could be let down to make it more of a bag. This chandelier has three large bayonet bulb holders B 22. C1920-C1940 st 3109
