Description

A genuinely rare opportunity to acquire a truly iconic Art Deco Wardrobe, a fabulous stand alone piece that will elevate your bedroom setting to the wow factor. Not only does the wardrobe look impressive but it's very functional too, offering a very generously sized full hanging width and length interior. There are three extending chrome hanging rails which is very unusual and in doing so almost offers the same space as a triple robe for storage. There is also a chrome shoe rail that runs along the base. A full length mirror adorns the inside of the right hand door, perfect if you're missing a dressing mirror. The craftsmanship, particularly on the exterior is superb. The contrasting veneers which create a kaleidoscope pattern to the doors with a darkened scalloped edging is an absolute delight and we know the Art Deco connoisseurs will appreciate this. We've had this whole piece fully and professionally restored to showroom standard. Two man Delivery UK mainland £120 Internal full hanging height 161 cm width 117 cm depth 43.5
