Description

A stunning antique Italian Venetian etched decorative mirror, dating from around the 1890-1910 period. The quality is excellent, this is beautifully made with a gorgeous design. There are wonderful etched patterns and this has added decorative mirrored pieces on the top, sides and bottom. The condition is very good for its age, with just some wear and minor distressing to the silvered backs on the edges. One of the tiny decorative screw caps is missing and one has a little damage, both seen in the images but hardly noticeable at all in real life. Please don't confuse this with all the new reproductions out there being passed off as antique. This is the real deal. Width – 24 inches , 61 cm Depth – 1 inch , 3 cm Height – 37 inches , 94 cm
