Description

A good looking Oak Hall Stand from around 1900. The wood work and carvings are in pretty good condition but the finish is dull. It is for sale on behalf of a client and has been in store for a while. It is a serious bargain at this price but does need either a good rewaxing or re finishing, It would be good one to paint perhaps as there is no cost of French polishing involved. It is pretty sound as stated above, the pegs are all in place, the drip trays are here, not always the case, and there is a useful middle drawer for your keys. The bevelled mirror is most useable. Very cheap at only £125.00. Give us a call. Sorry Reserved.
