Description

A Pair of 19th Century Hall Porters chairs; Both chairs are in excellent condition, there is very slight fading to the upholstery but otherwise they are faultless. The Walnut show wood is delicately carved with a reeded edging around the hood and more elaborate detail to the cabriole legs, skirt and cornice even the curved frame wood is carved. The back of the chair has a padded almost quilt like look where it is so well stuffed and the cushions are feather filled. These are quite the most beautiful pair of chairs of this type that I have ever come across. They are 60" high and 32" across the front. DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE. Delivery times vary from 7 to 28 days.
