Description

A beautifully made antique bow fronted console table in mahogany, of small proportions. This was made in England, it dates from around the 1900-1920's period. It is of extremely fine quality, very well made and sturdy, with an elegant design. The top is cross banded and this has gorgeous satin wood inlay on all the edges. Even the back is nicely polished, so this can be used as a free standing item. We have given this a fresh wax polish, the condition is excellent for its age, with only some minor wear here and there.
