Description

George III period mahogany semi-circular table; the flame-veneered top with a broad satinwood band with etched interlaced leaf-detail decoration within bands of kingwood and boxwood cross-banding; on square tapered legs with inlaid oval paterae headings. Circa 1790 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in Spring 2022!
