Description

We are delighted to offer this gorgeous antique Edwardian gold necklace with peridots and seeded pearls. The pendant is crafted in 9K gold and features a wonderful scrolled and interlocking design with a central free-moving design. The central 'emerald cut' peridot and teardrop peridot at the bottom swings freely from the main body of the pendant and glistens in natural light. The pearls excellently contrast the gold and green tones of the necklace and make for an excellent statement piece for special occasions. The pendant tests for 9K gold and the chain is marked 15ct. All of our necklaces come with a complimentary hard-shell gift box with a velvet interior.
