Description

A charming original antique Georgian snap top occasional table in mahogany. This was made in England, it dates from around the 1790 period. It is a lovely size and is of great quality. The solid mahogany top sits on a tripod base and has a brass catch beneath that allows the top to flip up vertically. We have had this re-polished and it is in very good condition for its age. There are various small marks and bumps beneath the polish, commensurate for age and adding plenty of character. Width – 24 inches , 60 cm Depth – 24 inches , 60 cm Height – 27 inches , 69 cm
