Description

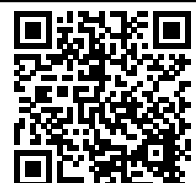

A charming and beautifully constructed miniature cupboard, ideal perhaps for use as a Jewellery Cabinet. The top is veneered in finely figured mahogany and crossbanded in satinwood, whilst the sides and the two front doors feature burr walnut panels, with pretty beading to be found under the frieze and around the base. The twin doors open to reveal a set of four slides, and it is supported on solid mahogany "ogee" feet. The back is also finely panelled and finished. A delightful and unusual cabinet. c.1860 W - 12.5 inches H - 12 inches D - 9 inches W - 12.5 inches H - 12 inches D - 9 inches
