Description

1914 Waltham Sterling pocket watch and chain. The watch has a Sterling grade seven jewel stem-winding movement which is working nicely. The movement is fully signed and the serial number 19959089 which dates it back to 1914. The watch measures 53.5mm diameter excluding the winding stem and the loop. The case is nickel and was made by the Illinois watch case company. The case is in nice condition with just a couple of small "dings" to the back. The glass lens is in nice condition with only the odd minor mark to the outer edge. The dial is signed Waltham. The dial has a very faint surface marks below 1 o'clock but otherwise it is in nice condition. The watch has its original blued steel hands. The watch comes with a single chain, 30cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box.
