## Gents 1960s Mithras Hunter 707 wrist watch

Price

**Sold**

**Item Reference: SA857530**

**Date of manufacture: 1960**

## Description

Gents 1960s Mithras Hunter 707 wrist watch. The watch has a 27-jewel automatic movement which is working nicely. The watch measures 34.5mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated while the screw on case back is stainless steel. The case back states that the watch is waterproof but, as with any vintage watch, it should be kept away from water and moisture. The lens is in good condition. The signed dial is in its original finish with original hands, seconds sweep and roulette date display (not quickset). A new leather strap has been fitted. The watch comes in a new presentation box.
