Description

A large and very beautiful antique walnut tallboy cabinet on chest. This was made in England & dates from around the 1920-1930's period. It is of superb quality, with gorgeous burr walnut veneers on the front, and crisp carving around the edges and base. The brass handles are also of excellent quality and nicely designed. The drawers have hand cut dovetailed joints, and this tallboy contains lots of storage space. We have recently had this re-polished to a very high standard, the condition is excellent for its age.
