Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case surrounded by diamonds and then sapphires and diamonds to the shoulders, the tapering bracelet is a beautiful design and glides around the wrist. It has the unusual backwinding calibre 640 movement which means it will not get tangled in fibres. The silver dial is quite superb. It fits a wrist size of up to 7 inches or 17.5 cms but this can easily be reduced by any competent jeweller. The case measures 16mm in diameter. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. It also comes with original fitted box. As you would expect from Omega the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class and really is a talking point. Overall this watch is in beautiful condition and looks as if it was hardly ever worn, it would certainly make a perfect gift. The watch has just been fully overhauled and serviced and is guaranteed to be a g...
