Description

Antique Edwardian Mahogany Triple Wardrobe and dating from around 1900. Constructed from quality mahogany it has a moulded cornice top with inlaid dental moulding above a central arched shaped door with fine stringing and brass handle and with internal hanging rail over two drawers both of which are oak lined with brass handles and fine stringing. This is flanked on either side by a full length oval bevelled mirrored door set within a frame with crossbanded edges and original brass handles. Internally it is all hanging with brass rail and half way down is the original 'tidy rail' which keeps the clothes from catching in the door. To the base there are two deep drawers both of which are oak lined with original brass handles and the whole stands on a deep plinth base and separates for ease of transporting. An excellent quality wardrobe. MEASURES: 79" HIGH X 22" DEEP X 74" WIDE & INTERNAL DEPTH 20" With a lovely deep colour and patination and oozing all the charm and character of the period.
