Description

A beautiful antique Queen Anne style walnut side table. This was made in England & dates from around the 1920's period. It is of fine quality, very useful and practical size. It would be equally useful as a desk, a side table or dressing table. The top, sides and back are figured walnut, the drawer fronts are burr walnut. It is well constructed, with fine hand cut dovetailed joints in the drawers & crisp carvings on the tops of the legs. This has a beautiful colour and striking grain patterns throughout. The back is nicely finished, so this can be used as a free standing item. We have had this recently re-polished to a very high standard, the condition is excellent for its age. Width - 39 inches , 99 cm Depth - 21 inches , 54 cm Height - 30 inches , 76 cm Knee height - 22 inches , 56 cm
