### Dimensions

Height = 88.5 cm (34.8")

Width = 50 cm (19.7")

## Description

A popular design in early 19th century Welsh homes, this is a unusual example: the pronounced curve to the back and the very broad seat are features more commonly found on the armchairs of this design. It has a good surface with lots of variation in colour and texture. Glamorganshire or Carmarthenshire, circa 1810-20.
