Description

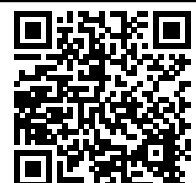

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a solid 18ct white gold case surrounded by a row of diamonds and then more diamonds to the shoulders. The solid 9ct white gold integral snake skin design bracelet compliments the diamonds beautifully and really does make the diamonds sparkle and shine, it is very fluid and simply glides around the wrist. As you would expect from Vertex the diamonds are bright, crisp and evenly matched. It is quite stunning with a white dial. A new glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It is fully hallmarked on the case and the bracelet is hallmarked 9ct gold. As you would expect from Vertex the watch is fully marked on the dial and movement. It comes complete with its original presentation box to keep your watch in perfect condition. Vertex are one of the most exclusive makers in the world and this watch certainly has that understated...
