Description

A stunning antique walnut coffee table in the Queen Anne style. This was made in England, it dates from around the 1920-30's period. The quality is exceptional, this has intricate and crisp carving all over the base and edges. The solid walnut cabriole legs have hairy paw feet and acanthus leaf carved knees. The top has a wonderful serpentine shape design and amazing burr walnut grain patterns. We have had this recently re-polished to a very high standard, the condition is excellent throughout.
