Description

A fantastic Victorian mahogany Collector's Cabinet dating from the mid to late 1800s. It is an excellent quality piece with a panelled door with a beautiful flame mahogany panel. It has 7 graduated drawers, each with small turned bone knobs, and the first 5 have central dividers. It comes with a working key. It is in good original condition and is certainly very usable. It is not new and has some minor signs of age and wear and a small chip on the rear (see photo) but nothing that is detrimental. The drawers all open smoothly and are generally clean and tidy inside. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £25.
