Depth = 39 cm (15.4")

Description

This is a very stylish 19th century French rush seated country bench. The pale colouring and rustic nature means this is bang on trend and I have seen a huge number of modern companies trying to recreate these. This one is structurally solid and can be used as is. It has the original rush seat which again is all in tact. The size makes it ideal for occasional dining seating or ideal as a hall bench or in a bedroom at the end of a bed. Height 48cm Length 127cm Depth 39cm Price includes UK mainland delivery
