Width = 4.5 cm (1.8")

Depth = 1 cm (0.4")

Description

This stunning fine piece of Scottish workmanship is made from silver. It is shield shaped and finely engraved with a delicate foliate design. It is set with four agate specimens in different colours. At the crest of the shield there is a central large amethyst and to each side a beautiful cairngorm of equal size. Similarly, at the bottom there is another matching cairngorm. This piece is in good condition, Scottish Circa 1880
