Description

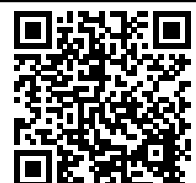

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 552 fully automatic movement. Everything about this watch is original, it is the most complete and original example we have ever seen. It has the Omega symbol on the winding crown and the Seamaster emblem on the back of the case. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Amazingly it comes with its original inner and outer boxes and paperwork. It comes with a premium quality leather strap. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are rep...
