Price

Sold

Item Reference: SA859073

Date of manufacture: Victorian

Dimensions

Height = 33.5 cm (13.2")

Width = 20 cm (7.9")

Depth = 19 cm (7.5")

Description

A really lovely little Victorian chair, ideal for displaying a doll or a teddy bear. This exquisite example is made entirely of solid English beech and has turned legs and armrests to simulate bamboo. It retains its original untouched finish with a beautifully rich colour and patination. In structurally sound condition, with no woodworm, and no repairs, this is a top quality example. English, c.1890s.
