Description

1960s Tempora pocket watch. The watch has a German 17-jewel stem-winding movement by Bidlingmaier which is working nicely. The watch measures 42mm diameter excluding the winding stem and the loop. The case is in good condition, just light surface marks but nothing serious at all. The watch glass is in lovely condition. The dial is signed Tempora, a brand name registered by at least three times by different companies. It is in its original finish with original hands and outer minute markers. The watch comes in a new presentation box.
