A magnificent antique mahogany William IV period partners writing table of the highest order. This was made in England & dates from around the 1830-1840's period. This desk is of amazing quality and has a stunning design. There are three drawers on each side, with beautiful brass handles, the legs are fluted and sit on original brass casters. The drawers are all solid oak lined with fine hand cut dovetailed joints. The black leather top is tooled around the edges and is also of extremely high quality. This is a fantastic size and looks amazing from all angles. The mahogany has gorgeous grain patterns and has acquired a wonderful patina over the years.
