Description

An unusual pine wall hanging spoon rack dating from the 19th Century. It has a candle or salt box on the top with slots on the shelf for the spoons. It has shaped ends and is naively decorated with small carvings on the ends and the back of the candle box. The pine has a lovely mellow colour and it is in good condition for its age. There are signs of age and use, some small knocks and marks but no major damages and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £25.
