Date of manufacture: 17th Century

Dimensions

Height = 83 cm (32.7")

Width = 188 cm (74.0")

Depth = 79 cm (31.1")

Description

A 17th century English oak refectory table, having a carved lunette frieze along the front and side top rails with the rear being plain. The table has four finely turned baluster legs joined by peripheral stretchers. The three plank top with cleated ends has a superb colour and patination along with the base of the table. The table has had many restorations and repairs throughout its existence but overall is in excellent condition and very solid.
