Description

A lovely antique Victorian period occasional table in mahogany. This was made in England, it dates from around the 1860-1880's. The quality is excellent and it is a very useful size. The top has beautiful serpentine shaped edges, and sits on a tripod base. This has solid mahogany construction throughout. We have had this recently re-polished, the condition is very good for its age. There are a various small marks and indentations here and there beneath the polish, commensurate for age and adding plenty of character. Width – 23 inches , 59 cm Depth – 19 inches , 49 cm Height – 28 inches , 71 cm
