Description

A lovely French made carriage clock is it's original leather case. It is signed to the dial "WHITELEYS. LONDON". The 8 day, platform escapement movement has just been serviced by our BHI registered staff. It has a perfect enamelled white dial with black Roman numerals and finely cut hands. The brass case has just been immaculately cleaned and lacquered in order to prevent future tarnishing. The case is in very good order but does have the odd scuff mark one would expect to see for it's age. A gem of a little clock, keeping perfect time and complete with it's original key. Height, handle up: 15cm. Handle down: 12cm. All cards accepted.
