Description

A wonderful pair of antique bedside cabinets in mahogany. They were made in England, and date from around the 1900-1920 period. The design is very elegant yet sturdy, with sabre shaped front legs. There are beautiful details throughout, these are of superb quality. The tops are cross banded, these have canted corners and beautifully shaped moulding. The mahogany has lovely grain patterns and a stunning patina. We have had these recently re-polished, the condition is excellent for their age.
