Early 20th Century Indian wooden leopard

Price

Sold**Item Reference: SA860794****Date of manufacture: 1920**

Description

Having done as much research as I can, I believe that this wonderful wooden leopard originates from India and dates to the first half of the 20th century. It is made from a very light weight wood and is in remarkable condition. The paint work is in very good condition with minimal wear, lovely muted colours, the more modern ones have much brighter colours. Length 18.5 cm Height 7 cm Width 6 cm
