Description

A very good quality, large Art Deco clock. Excellent Art Deco design, with the diamond shaped clock face designed with good Art Deco black shaped numerals and hands and a chrome bezel. To each side a sitting lady in the Art Deco style, one holding a bird with wings outstretched and in the other two birds feeding from a decorated bowl. Various marbles in black, brown, cream and white work well together to make this elegant clock. An eight day movement that strikes each hour and half an hour. The clock movement has just been professionally cleaned and restored.
