Description

A stunning pair of original Art Deco period Swedish armchairs. These were recently imported from Sweden, they date from the 1930's. The design is absolutely gorgeous, they have beautifully curved sides with satin birch arms and feet. The backs are scalloped, these are well sprung in the seats and backs. They are a very generous size and are extremely comfortable. We have had the frames stripped and re-polished to a very high standard, and they have also been fully re-upholstered in our cream cotton fabric; the condition is superb throughout.
