It is beautifully modelled in the Rococo style of Louis XV in Ormolu (gilded bronze). Beautiful balloon shaped case with acanthus to the shoulders and a Rococo flourish to the top. Sound frets are fitted to the front and sides. It stands on it's original integral base with boldly scrolling feet. A reflection of the pendulum swinging can be just seen in the highly polished centre of the base. The beautiful dial is porcelain enamel on copper and is complete with its original finely cut gilt hands and convex glass. It runs for 8 days and strikes the hours and halves on a bell. We have a video of the clock running, please ask and we will send you a link. Condition of the case is excellent, beautifully clean and bright with hardly any wear or discolouration. The dial is also in excellent condition with no damage. We have replaced the fabric fitted behind the sound frets. Complete with pendulum, bell ...
