Sold**Item Reference: SA863867****Date of manufacture: 19th Century**

Dimensions

Height = 5.5 cm (2.2")

Description

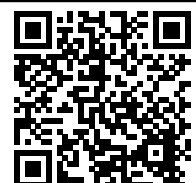

An excellent set of Victorian steel fire irons with brass urn shaped tops. Whilst dating from the 19th century, these fire irons have a timeless quality with their elegant knopped steel rods and brass finials. The condition is very good. This substantial set of fire irons would suit a modern or traditional setting and compliment any hearth. c. 1880 Length: 30" 76 cm Width: 6" 15 cm Height: 2.25" 5.5 cm
