French Singing Bird Automaton in a Brass Cage

Price

Sold**Item Reference: SA863930****Date of manufacture: 1940**

Description

A lovely French singing bird by Bontems in a brass cage. In good condition for its age, the bird sings beautifully and quite loudly with its beak moving in time to its song and its head and tail also moving in time. Good pure clear voice. The birds feathers are real and of a deep red colour A very good example of its kind. We can send a small video of the bird singing on request. We can deliver free of charge in UK mainland and can quote for international delivery Payment by bank transfer or by arrangement .

Internal Ref: A3011
