Description

UK POSTAGE ONLY FOR THIS ITEM Gents 1940s Alpha Landeron 3-button chronograph wrist watch. The watch has a Landeron 47 hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown / buttons and lugs. The case is chrome plated with a stainless steel case back. There is a little marking to the bezel but not too serious at all. The lens is in lovely condition. The signed dial is in good original condition, just a little marking if viewed closely. The top button starts the chronograph feature, the lower button stops it and the button on the winding crown re-sets it to zero. There are two subsidiary dials, one for constant seconds and the other to record up to 60 minutes. A new leather strap has been fitted. The watch comes in a new presentation box.
