Description

We are delighted to offer this wonderful vintage 18K gold diamond cluster ring. The ring features a brilliant round cut centre diamond surrounded by 6 slightly smaller diamonds of equal colour/clarity also in brilliant round cut. The total diamond estimated weight is 0.40ct. The ring's setting is also of good quality with a sturdy shank and a white gold setting for the diamond cluster. Diamond is known to be the birthstone for April. A very special gift to a lucky individual or as an indulging gift to oneself. All of our rings come with a complimentary gift box with a black velvet interior. The ring is hallmarked with "750" for 18K gold on the inner shank of the ring.
