Description

This is a superb set of 6 antique sterling silver and enamel teaspoons in their original case. They each measure 3 3/4" (9 cms) long and all have matching hallmarks for Birmingham 1937 with the silversmiths marks for Barker Brothers Silver Ltd. They weigh 64 grams / 2 troy oz the lot and are all in excellent condition and look as though they've hardly been used. Particularly nice as they come in their original presentation case with the retailers mark for Hendersons of Dundee in the lid. These spoons will come with a certificate of authenticity.
