Description

Circa 1880-1900 a bronze candelabra with a gilded parrot on the top with a ring in his mouth, and the details are clearer than may appear in the images. The candlestick measures 25cm in height, 21cm across and the base is approximately 11cm in diameter. The candleholders are shaped like garden urns with four scrolled arms around the sides, and they take 2cm in diameter candles. The item weighs 0.9kgs. We left it unpolished but it could be professionally polished back to a shiny bronze colour. Postage and packing for the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
