Description

C 1910 - 1930 One of the most unusual pair of candlesticks we've ever had in stock. They are made in bronze and brass, with a tiered base that may be an early type of bakelite. Each candlestick weighs 1.6kgs, and measures 29cm in height, with a 10cm square base and they take a 2cm in diameter candle. They have been lightly cleaned and both are in good condition. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
