Description

Circa 1910-1940: a fine pair of display brass vases in their original wrought iron stands. The stands have brass handles on both sides, brass feet and decorative studs around the central area. They measure 46cm in height and the feet are 25cm across. The urns on their own are 35cm with 12cm diameter tops and everything is in good condition. The brass vases fit perfectly into the stands, one was slightly moved out of position during photographing them. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.
