Description

First class Victorian style! A very unusual true pair of lovely Victorian oleographs depicting wonderfully bucolic rural riverside scenes in completely untouched original quality frames. A particular point of interest is the inclusion of a team of rowers, which is not a common subject in Victorian art. They would make a great addition to the traditional home interior. Please note that there is slight water damage to one of the oleographs which 1) is reflected on the price & 2) only adds to their unique & original charm. £895 for the pair. Dimensions:- Both Frames- height 82cm, width 110cm and depth 4cm Both oleographs- height 62cm and width 89.5cm
