Description

Stunning pair of antique French or Italian gilt wood mirrors in very good original condition & with magnificent carved details all over. Please enlarge all the images to see the quality of the carvings, the original finish of the gilding & the backs. There are many detailed floral carvings & some cherub type figures on the bases. The gilding is naturally aged & all original. One of the inset mirrors is very aged & the other one, not so much. I'm not sure of the exact age, but I would say they date from before the 1840's & could even be from the 1700's period. It's very rare to find a pair of gilt wood mirrors of this age with such fine details & in excellent condition. Width – 22 inches, 56 cm Depth – 9 inches, 22 cm Height – 40 inches, 102 cm
